Application for Membership

Our Vision

Thank you for applying for membership with the Society for Safe and Caring Schools & Communities (SACSC). Our vision is that every school and community will become a safe, caring and inclusive place for youth. Realizing this vision will require ongoing collaboration, sustainable programming, and a shared commitment. There are no quick fixes when it comes to violence, bullying and prejudice, but we believe children are worth the effort.

What does SACSC do?

We provide research-based programs, resources and workshops that help adults create safe spaces for youth. All of our work is based on the following ideals:

- Nonviolent behaviours must be taught and reinforced consistently by the important adults in a child's life.
- Children and youth learn more effectively when they feel safe and cared for.
- Children and youth are the responsibility of all adults in a community.

Membership Benefits

Becoming a member of SACSC is free, and it's a great way to learn more about the Society's work and become involved. Benefits of membership include the following:
